HOW WILL THE PRIZE WINNERS BE SELECTED?

18. The Prize/s will be drawn through a single random draw from all eligible entries, where the first 25 (Twenty-Five) correct entries drawn will be named the Prize Winners. A pre-determined amount of winner, fully to the discretion of the promoter, will be chosen from each participating major retailer to ensure that there are winners from each major participating retailer as listed above. Dischem is the only participating major retailer who will completely handle the draw and choose their dedicated number of winners in their own capacity. P&G can not be held liable for how Dischem chooses to conduct this.
19. The draw will take place in the month of March 2021. Prize Winners will be contacted telephonically or via email by the Promoters or their authorized agents by no later than April 2021.
20. The Promoters reserve the right to –
 - 20.1 at any time prior to the final draw, amend the terms and conditions of the Competition (including but not limited to varying the dates, times and / or places of the draw) or to terminate or suspend the Competition. The Promoters shall publish the new details in the revised terms and conditions. In the event of such change, suspension or termination, all Entrants agree to waive any rights that they may have in terms of the Competition and acknowledge that they will have no recourse against the Promoters,

its advisors, suppliers and / or authorised agents; and

disqualify a Prize Winner/s if they are unable to make contact with a Prize Winner/s after reasonable efforts to do so. Disqualified Prize Winner/s will have no claim against the Promoters in such circumstances and will be deemed to have forfeited their Prize/s. The Promoters reserve the right to award the Prize/s to **the next randomly drawn correct entry, at a separate draw**. Should the Promoters be unable to make contact with a replacement Prize Winner after reasonable efforts to do so, then the provisions of this clause shall apply to that new Prize Winner/s in the same way as if he/she were the original Prize Winner/s.

21. The Prize Winner/s must be able to identify themselves (in a manner determined by the Promoters) as the Entrant that entered the Competition and will have to comply with the required validation procedures in order to claim the Prize/s. If the Prize Winner/s are not able to do so to the Promoters' satisfaction, such Prize Winner/s will forfeit the Prize/s and the Prize/s will be distributed as provided for in clause 20.2 above. The Prize Winner/s undertake to timeously do all things necessary to enable the Promoters to comply with its obligations under the CPA including, but not limited to signing an acknowledgement of receipt of the Prize upon its delivery.
22. Prior to awarding the Prize/s, the Promoters may require the Prize Winner/s to sign such an authorisation / indemnity, the details of which shall be fully explained to the Prize Winner/s. If the Prize Winner/s do not provide such an authorisation / indemnity, the Prize Winner/s will forfeit the Prize/s and the Prize/s will be distributed by way of a separate draw. Any such ineligible Prize Winner/s will have no claim against the Promoters, in such event.
23. **Any Prize/s not taken up for any reason will be the subject of a separate draw and shall be allocated in terms of the rules of the Competition**. In such event, any such ineligible Prize Winner/s will have no claim against the Promoters.
24. The Prize/s will be delivered to the Prize Winner/s on a date and at a place to be confirmed by the Promoters prior to delivery and the Prize Winner/s will be notified thereof. If for any reason the Promoters cannot provide the Prizes or any part thereof, the Promoters will in their sole discretion award an alternative prize/s of a similar commercial value. In this event, the Prize Winner/s will have no claim against the Promoters.
25. The Promoters may refuse to award the Prize/s if the entry procedures and / or these terms and conditions have not been adhered to in full and / or if it detects any irregularities or fraudulent practices in connection with the Competition.
26. Entrants and Prize Winners may be requested to take part in the Promoters publicity campaigns or to allow their names and likenesses to be used by the Promoters for promotional purposes.
